THE  
QUEST FOR TRUTH

Hi there,

Please find attached a copy of my debut novel, Figmentasia: The Quest for Truth. It is a high-fantasy novel aimed at readers between the ages of 8 to 14.

The book tells the story of a boy who turns into a female fairy in times of heightened emotions. Through a series of quests, the hero learns to confront and accept their gender/species identity. Initially written for the author's seven nieces and nephews, my friends started introducing the story to their children as a way of discussing gender identity and female empowerment.

I do hope your students will enjoy the adventures of Teban Thelba as much as my family and friends children have.

Yours Sincerely

**Russell Scott Emery**

## ACTIVITY

The world of Figmentasia is populated by gods of greek mythology, and a couple of made up ones. Why not try to make a short story using a god from old lore?

Book two is already underway and will be adding gods from Norse & Chinese Mythology.
